

# MAKEBELIEFS COMIX

## MakeBeliefsComix QuickStart Guide

### Create a Comic

- Go to [www.makebeliefscomix.com](http://www.makebeliefscomix.com).
- Click **"Enter Here."**
- Enter your comic name in the **"Name Comix"** field.
- Enter your name in the **"Author's Name"** field.
- Select the number of panels you want in your comic. 
- Select background colors for your panels. 
- Select objects or backgrounds by clicking here  then clicking on a background or object in the **Selection Window**.
- Insert a character by clicking here  then selecting a pose/style from the **Selection Window**.
- Insert talk and thought balloons and panel prompts by clicking here  then selecting from the **Selection Window**.
- Once you have insert objects, use the toolbar at the right to **Move, Scale, Bring to Front, Flip or Delete**. Select the tool *first*, then select the object you want to change.

### Share or Print a Comic

- Select **Print/Email** from the left hand side. 
- Print your comic by selecting the **Print** button.
- Email your comic by entering your name and email address, followed by the email address you wish to send to, then clicking **Email Comix**.

**Important: Comics are not stored at MakeBeliefsComix, so you need to either print or email your comic when you are finished or you will lose your work.**
